The new S.C. Legislative Staff Portal -- *Coming to a pc or mobile device near you.*
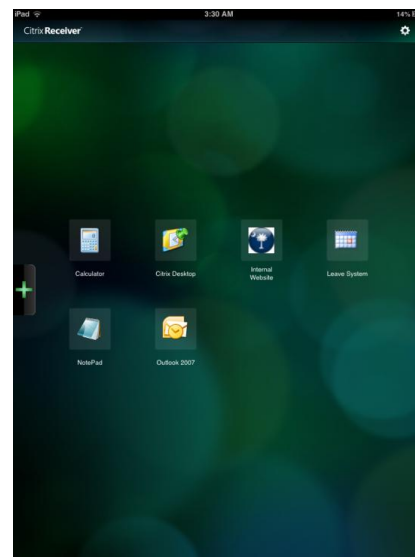

Launch Date - Monday - December 10th 2012

S.C. Legislative Printing, Information & Technology Systems (LPITS) has greatly improved the Legislative Staff Portal to give you more capability while working away from the Legislative Complex. The Legislative Staff Portal will enable you to securely access the applications and files that you need to work from any location utilizing your pc or mobile device.
